New black faceplate with gold graphics to match new T8 and Ultra series available at \$100 with rebuild.

D to A CONVERTERS

AVA DAC	Any solid state DAC	Insight DAC	699	
AVA DAC	Any small chassis Hybrid	Ultra Hybrd Tube DAC	1299	includes new big chassis
AVA DAC	early Ultra DAC	6N1P & logic board upgrade	599	includes new cover

NOTES:

Out of Warranty Repair Rate: \$80 per hour, 1 hour minimum. Warranty on repairs is 90 days.

*This is a simplified version of the T8 built on the original PC-490 board but still outstanding performance.

New black faceplates with gold graphics are available at \$100 for existing AVA large chassis units with upgrade.

All prices are in U.S. Dollars and do not include shipping costs. Upgrade and retrofit prices do not include new chassis except as noted.

Add 6.75% sales tax for orders to be delivered in Minnesota.

AVA Satisfaction Guarantee DOES NOT APPLY to upgrades, rebuilds, or kits!

Before shipping, please call us at 651-330-9871 to confirm the equipment's status and rebuild cost, and for packing instructions.
